Environmental Education Conference for K-12 Teachers and other Educators

- April 29-30, May 1, Seneca College, King City Campus
- 3 days of workshops/presenters designed to help teach Environmental Education in all subjects and grades

The Ontario Society for Environmental Education (OSEE) is the subject association for Environmental Education.

Focus will be on helping elementary and secondary teachers to integrate Environmental Education in every subject in every grade.

Emphasis on the science and technology curriculum revisions, the social studies and geography curriculum, and other subject areas including literacy and art.

Opening Keynote Speaker will be Gord Miller, Environmental Commissioner of Ontario.

Speakers will include:

- Teachers and Environmental Educators with classroom ready materials.
- Presenters from the Ministries of Environment, Natural Resources, Education
- University researchers & industry specialists in environmental issues.

Draws for educational materials will be held, especially at the AGM.

Location - Garriock Hall, Seneca College, King Campus (near King City, north of Toronto, east of #400)

Meals - Lunch, dinner, and breaks are included in the cost.

Accommodation - Residence rooms are available next door for \$69.95, single or double occupancy. Bookings are separate from the conference on an individual basis at: 905-833-1650, seneca.king@stayrcc.com.

Full program and teacher registration information will be on OSEE's web site as conference plans develop:

www.osee.ca
